- We’ll give you notice of other changes to this program or agreement by posting an updated copy of this agreement when you log in to our website, chase.com/doordash.
- We won’t provide prior notice when we change what you can get with your points within particular redemption options. You understand and agree that we can make these changes at any time. **Future availability of any specific items isn’t guaranteed.**
- You can see what you currently can get with your points when you log in to our website, chase.com/doordash.

 - › balance transfers

- person-to-person money transfers and account-funding transactions that transfer currency
- any checks that access your account
- interest
- unauthorized or fraudulent charges
- fees of any kind, including an annual fee, if applicable

• With Cash Back rewards you'll earn:

- **4% Cash Back** rewards for each \$1 spent on qualifying purchases made using your card directly through the DoorDash Sites or directly through the DoorDash Apps. This equates to \$0.04 in Cash Back rewards, which is equal to 4 points, for each \$1 spent. You may see "4X" in marketing materials to refer to the 4% Cash Back rewards you earn for each \$1 spent on qualifying purchases made using your card directly through DoorDash or Caviar. Purchases that earn 4% Cash Back rewards will not earn additional Cash Back rewards as described below.
 - For example, if you spend \$100 on qualifying DoorDash purchases made using your card, you will earn \$4 in Cash Back rewards. \$4 in Cash Back rewards is equal to 400 points.
 - DashPass and any other subscription service fees or membership fees billed by DoorDash on your card will not qualify to earn 4% Cash Back rewards.
- **3% Cash Back** rewards for each \$1 spent on purchases in the following rewards category: dining when purchased directly from a restaurant. This equates to \$0.03 in Cash Back rewards, which is equal to 3 points, for each \$1 spent. You may see "3X" in marketing materials to refer to the 3% Cash Back rewards you earn for each \$1 spent in this category.
 - For example, if you spend \$100 on dining when purchased directly from the restaurant category, you will earn \$3 in Cash Back rewards. \$3 in Cash Back rewards is equal to 300 points.
- **2% Cash Back** rewards for each \$1 spent on purchases in the following rewards category: grocery stores. This equates to \$0.02 in Cash Back rewards, which is equal to 2 points, for each \$1 spent. You may see "2X" in marketing materials to refer to the 2% Cash Back rewards you earn for each \$1 spent in this category.
 - For example, if you spend \$100 on purchases in the grocery stores category, you will earn \$2 in Cash Back rewards. \$2 in Cash Back rewards is equal to 200 points.
- **1% Cash Back** rewards for each \$1 spent on all other purchases. This equates to \$0.01 in Cash Back rewards, which is equal to 1 point, for each \$1 spent. You may see "1X" in marketing materials to refer to the 1% Cash Back rewards you earn for each \$1 spent on all other purchases.

- For example, if you spend \$100, you will earn \$1 in Cash Back rewards, which is equal to 100 points.

- **Rewards Categories:** Merchants who accept Visa/Mastercard credit cards are assigned a merchant code, which is determined by the merchant or its processor in accordance with Visa/Mastercard procedures based on the kinds of products and services they primarily sell. We group similar merchant codes into categories for purposes of making rewards offers to you. Please note:
 - We make every effort to include all relevant merchant codes in our rewards categories. However, even though a merchant or some of the items that it sells may appear to fit within a rewards category, the merchant may not have a merchant code in that category. When this occurs, purchases with that merchant won't qualify for rewards offers in that category.
 - Purchases submitted through third-party payment accounts, mobile or wireless card readers, online or mobile digital wallets, or similar technology will not qualify in a rewards category if the technology is not set up to process the purchase in that rewards category. For more information about Chase Rewards categories, see chase.com/RewardsCategoryFAQs.

Ways to earn bonus points

- We may offer you ways to earn bonus points through the program, such as Refer-a-Friend, or special promotions. You'll find out more about the number of bonus points you can earn, the duration of the offer and expiration date, if any, and any other terms at the time of each eligible offer. The additional terms will be part of this agreement, and the terms of this agreement will apply to any such offer. If there is any inconsistency between this agreement and the offer terms, the offer terms will prevail to the extent of such inconsistency. The natural expiration of a limited time bonus point offer is not a modification to the program that requires notification.

Other information about the earning and availability of points

- Points are earned at the close of each monthly billing cycle, based on the purchases made during that billing cycle, plus any bonus points posted during that billing cycle, but minus any returns or refunds. If you have more returns or refunds than purchases, then the points deducted from your total point balance may result in a negative point balance.
- You'll see points you've earned on chase.com and on your monthly card billing statement.
- We may, from time to time, provide additional ways for you to see points you've earned, such as through Chase or third-party mobile application(s).
- Points earned in a monthly billing cycle are generally available to be used at the beginning of the next billing cycle; however, points earned on purchases made near the end of a billing cycle may take up to one additional billing cycle to become

available.

How you can use your points

- You can use your points to redeem for any available reward options. Options may include: eligible purchases on the DoorDash Sites or DoorDash Apps, cash, gift cards, and products or services made available through the program or directly from third parties.
- We may, from time to time, provide additional ways for you to use your points in addition to those described in this agreement, such as through Chase or third parties.
- When you use points to redeem for eligible purchases on the DoorDash Sites or the DoorDash Apps, cash and gift cards, each point is worth \$.01 (one cent), which means that 100 points equals \$1 in redemption value. Redemption values for other reward options may be worth more or less than this.
- You are responsible for how points are used, including if you allow authorized users to access your points.
- To use your points, minimum and maximum amounts may apply. We'll let you know about any minimum or maximum amounts, as well as any additional terms and conditions, before you use your points.
- Once points have been used, the transaction is considered final and may not be canceled unless otherwise noted.
- When you use your points to redeem for cash and gift cards, as described below, the amount of time it takes for the delivery of items depends on the item. Some items can't be shipped to PO Boxes or foreign addresses.
- Applicable sales/use taxes, fees, surcharges, and shipping and handling charges are your responsibility.
- We're not responsible for replacing lost, stolen, or damaged redemption items, including certificates, tickets, or gift cards or for a merchant's failure to honor them.

Redeem points on DoorDash

- You can use your points for all or part of a payment for the purchase of eligible items on the DoorDash Sites or the DoorDash Apps.
- If you don't have sufficient points to pay for a payment for a purchase on the DoorDash Sites or the DoorDash Apps, you can pay for the remaining amount with your card account.
- We may deduct the number of points that you use for your purchase on the DoorDash Sites or the DoorDash Apps from your points balance when you place your order, as long as your card account is open, not in default, and you have sufficient points to cover all or part of your purchase. Your points balance may not reflect pending transactions.

Cash

- You can use points to redeem for cash through an account statement credit or an electronic deposit into an eligible Chase account located in the United States. If available, you can use points to fund select third party wallets or accounts.
- Go to chase.com/doorDash or call the number on the back of your card to request your cash.
- Account statement credits will reduce your account balance.

Unless the total amount of credits and payments applied to your account between the statement closing date and the payment due date equal or exceed your statement balance, you are still required to pay your minimum payment or your remaining statement balance, whichever is less, by the payment due date.

Gift cards

- You can use points for gift cards and gift certificates through the program.
- Go to chase.com/doorDash or call the number on the back of your card to order gift cards and gift certificates.
- Gift cards and gift certificates are valid at participating merchants only, and are subject to the issuer's terms and conditions, which, if permitted by law, address expiration policies and non-usage fees and can be changed at the sole discretion of the issuer.

Products and services

- We may give you opportunities to use your points for all or part of a payment for the purchase of eligible products or services directly through third-party merchants or service providers. To do so, you must either be automatically enrolled or complete the self-registration process directly with the merchant or service provider, which may include providing your card account information and agreeing to additional terms of use.
 - › To participate, you may be required to authorize Chase to share information about your account with the third party. We'll provide you with additional details as required by law.
 - › After you are enrolled, Chase will provide the third party with information about your participation in the program, including your program points balance.
 - › Points will not be used without your permission. You select when and how many points are used each time you make a purchase with the third party, unless you opt into a default payment feature offered by the third party. In that case, your points will be applied automatically in accordance with your selected default payment settings.
 - › The redemption value of points may be worth less when using them directly through third-party merchants or service providers than the redemption value of points used for reward options offered directly through the program.
 - › We'll deduct the number of points that you use from your program points balance. Your points balance may not reflect pending transactions until the order has shipped.
 - › Returns and point refunds are subject to the policies of the third party.
 - › Any additional terms, conditions, disclosures, or agreements provided by us, or the third party related to the use of points will be part of this agreement.
 - › Auto-enrollment.

- You will receive an email from the third party informing you of the auto-enrollment and how to de-enroll if you do not want to participate.
- You may de-enroll at any time.
- We may give you opportunities to use your points to pay for products or services from third-party merchants directly through the program.
 - › Products or services may not always be available and may change without notice.
 - › The redemption value of points may be worth less than other reward options offered directly through the program.
 - › Any additional terms, conditions, disclosures, or agreements provided by us related to the products or services you obtain will be part of this agreement.

How you could be prohibited from earning or using points

- We may temporarily prohibit you from earning points or using points you've already earned if we suspect you've engaged in misuse or fraudulent activity related to your account or the program.
- You can begin earning and using points again in the next billing cycle after you make a payment to your account sufficient to become current or when we otherwise no longer suspect misuse or fraudulent activity related to the account or the program.

How you could lose your points

- **Your points don't expire as long as your card account is open; however, you'll immediately lose all your points if your card account status changes, or your card account is closed, for misuse, fraud, or any of the following reasons:**
 - › you fail to comply with other agreements you have with Chase
 - › we believe you may be unwilling or unable to pay your debts on time, including filing for bankruptcy
 - › we believe that you've engaged in fraudulent activity related to your account or the program
- We won't reinstate points you lose unless we've made an error.
- If your account is closed for any other reason, you'll have at

least 30 days from the date your account is closed to use your points, as long as you don't lose them for any of the reasons described in this agreement. If you don't use your points during that time, you'll lose them unless limited or prohibited by law, in which case your unused points will be automatically redeemed for cash in the form of an account statement credit.

- If we decide to cancel the program, you'll have at least 30 days from the date we cancel the program to use your points, as long as you don't lose them for any of the reasons described in this agreement. If you don't use your points during that time, you'll lose them unless limited or prohibited by law, in which case your unused points will be automatically redeemed for cash in the form of an account statement credit.
- If we're notified of your death, your points will be automatically redeemed for cash in the form of an account statement credit.

- Your participation in the program may result in miscellaneous income received from Chase and we may be required to send you, and file with the IRS, a Form 1099-MISC (Miscellaneous Information) or Form 1042-S (Foreign Person's U.S. Source Income Subject to Withholding) for the year in which you participate and are awarded the benefits of the program.
